Certified Public Accountants

Payments

IRS

Federal (IRS) taxes owed for **Personal** can be made through:

<https://www.irs.gov/payments>

You can choose from Bank Account or Debit/Credit Card option. A processing fee may apply.

To pay for your Personal tax returns, choose the “Tax Return or notice” option and apply it to the 1040, 1040a, 1040EZ option followed by the year that you are paying for. You will then be asked for further prompts.

Federal (IRS) taxes owed for **Business** should be made through the Electronic Federal Tax Payment System (EFTPS). Link below. To access it, you must enroll.

<https://directpay.irs.gov/directpay/leaveSite>

GA

Georgia taxes owed for Business or Personal can be made through:

<https://gtc.dor.ga.gov/#1>

For Business Tax Returns, choose the “Corporate Income Tax” option under the Account Type.

For Personal Tax Returns, choose the “Individual” option under the Customer Type.

You will then be prompted to enter your information.
